

Providing Accessible & Affordable Urgent Medical Care for Children and Adults

Our Urgent Care Center at Compass Medical, Whitman, treats patients without excessive wait times and the co-payment is the same as an office visit to a primary care doctor.

Our Urgent Care Center provides:

- Certified laboratory
- Comprehensive radiology services, including X-Ray, ultrasound and CT scan
- On-site Brigham and Women's Hospital physician radiologist

We treat all Compass patients. Non-Compass patients who don't require a Primary Care Physician (PCP) referral can seek care in Whitman immediately. Non-Compass patients with an insurance plan that requires a PCP referral are welcome to choose one of our PCPs to manage their comprehensive health plan.
